

TEKKUZEN - GDPR Notice

1. Lawful Basis

Processing is conducted under the basis of 'Legitimate Interest' for providing targeted educational support and maintaining course integrity.

2. Data Isolation

We implement Department-Wise Content Isolation to ensure student data and course materials are kept secure and separate.

3. Rights of Data Subjects

Students and faculty have the right to request access to or deletion of their stored logs. Inquiries should be directed to the TEKKUZEN development team.

4. Data Retention

Query logs are retained for the duration of the academic course to provide faculty insights and then archived or deleted.
