

TEKKUZEN - Terms and Conditions

1. Educational Scope

TEKKUZEN is an AI-Powered RAG Tutor designed to provide academic support based strictly on approved lecture materials. It is not a general-purpose AI.

2. Socratic Methodology

The AI is programmed to act as a Socratic tutor, providing guiding questions and hints rather than direct solutions to maintain academic integrity.

3. Citations and Accuracy

Responses are grounded in course content and include citations. Users should verify information via the referenced page numbers provided by the system.

4. Prohibited Use

Users shall not attempt to bypass 'Exam Mode' locks or use prompt injection to extract direct answers for graded assignments.
